Health insurance definitions.

We know that insurance terms can be confusing. Before you start shopping for a plan, take a moment to familiarize yourself with the following terms and definitions.

DEDUCTIBLE—Amount you must pay to doctors and facilities before your plan pays for certain covered services.

OUT-OF-POCKET MAXIMUM (OOP)—The total amount you may pay for services covered by your plan each year. Things like deductibles, coinsurance, and copays may apply to your out-of-pocket maximum.

COINSURANCE—A percentage of the cost of a covered service that you pay after you've met your deductible. For example, you pay 20%, the plan pays 80%.

VIRTUAL VISITS—For urgent medical, mental health, or primary care issues, talk to a provider online using your smart phone, tablet, or computer.

PRIMARY CARE PROVIDER (PCP)—A PCP is the provider you see most regularly for general medical and preventive care. Select Health considers a PCP to be any of the following: family and general practitioners, internal medicine doctors, pediatricians, Certified Nurse Midwives (CNMs), and geriatricians.

SECONDARY CARE PROVIDER (SCP)—These doctors are typically specialists such as cardiologists, neurologists, dermatologists, ophthalmologists, Obstetricians and Gynecologists (OB/GYNs), and more.

MEMBER PAYMENT SUMMARY (MPS)—This is a list of services covered by your plan. It shows how much you are responsible to pay for each type of service. This is also known as a Schedule of Benefits (SOB).

SUBSIDY—Depending on your income and other criteria, you may qualify for an Advance Premium Tax Credit or Cost-Share Reduction. To verify your eligibility, visit [ConnectforHealthCO.com](https://connectforhealthco.com) or contact your agent.

Plans and benefits built for you.

HEALTH SAVINGS ACCOUNT QUALIFIED (HSA-QUALIFIED)—These plans are designed to be used with a Health Savings Account (HSA). Often, these plans have lower premiums. Using an HSA means you have more control over your healthcare dollars, with tax advantages.

OFF-EXCHANGE—These plans are only available for purchase directly from Select Health by visiting selecthealth.org/shop.

SILVER PLANS—If you're eligible for a Cost-Share Reduction (CSR) through the Marketplace, this may be a good option for you. It offers all the benefits of a CSR (based on eligibility) at the lowest possible cost.

Your care options.

Not everyone wants to receive care the same way. That's why we let you choose how you want to manage your health.

Scheduled care:

Primary care provider

A Primary Care Provider (PCP) sees patients for common medical problems, performs routine exams, and helps prevent or treat illness. You can trust a PCP to know your health history, be your partner in preventive care, and help you find specialists when you need them.

Specialty care provider

We've partnered with specialty providers to ensure you have access to top notch care when you need it.

Local clinics

All plans include Intermountain Health community clinics and clinical partners UHealth and Monument Health so you never have to go far to get care.

Immediate care:

Urgent care

For urgent care within your service area, go to an in-network facility. For emergencies, call 911 or go to the nearest hospital.

Hospitals

Our clinical partnership with UHealth and Monument Health means you get high-quality hospital care at the lowest possible cost.

Virtual Visits:

Virtual Visits with an in-network Primary Care Provider, Mental Health Provider, Intermountain Connect Care (urgent care only), and UHealth urgent care service providers are covered at no additional cost to you.

Intermountain Connect Care

Use the Intermountain Connect Care app to schedule virtual visits for urgent care.

UHealth Virtual Urgent Care

Use the UHealth app or UHealth website to schedule virtual visits for urgent care.

Your provider

You can also schedule a virtual visit directly with your primary care or mental health in-network provider. Contact your provider to learn about virtual visit options and to schedule a visit using their preferred platform.

Urgent and Emergency Out-of-Area Care:

Outside Utah, Idaho, Nevada, or Colorado

In-network benefits apply when you receive services for urgent or emergency conditions, no matter where you are.

If you need urgent or emergency care, you can use the Multiplan or PHCS providers and facilities.

Always present your ID card when you visit a Multiplan or PHCS provider or facility.

If you need urgent or emergency care and need to find Multiplan or PHCS providers or facilities, call Member Services at **800-538-5038** or visit selecthealth.org/findadoctor and select "Multiplan" or "PHCS" from the network drop down.

Outside of the country

If you need urgent or emergency care, visit the nearest doctor or hospital. You may need to pay for the treatment at the time of service. If you do, keep your receipt and submit it with a Claim Reimbursement Form, which can be found on selecthealth.org/forms.

Prescription drug list (PDL)

To find your medication, its tier, cost, and any special requirements, search for it at selecthealth.org/pharmacy.

Special requirements

Some drugs require step therapy or preauthorization before they will be covered by your plan.

STEP THERAPY — If a drug requires step therapy, your doctor must first prescribe an alternative drug. These are generally more cost effective and do not compromise clinical quality. Step therapy may be waived for medical necessity.

PREAUTHORIZATION — This means that your doctor must contact us for approval before your drug will be covered.

90-Day maintenance drug benefit*

This benefit allows members who have been taking a medication for at least one month to access a 90-day supply of select generic and brand-name medications. This reduces fill frequency, saving time and money.

*Some restrictions may apply.

Hassle-free mail order*

Get your medication delivered right to your door for no extra charge with Intermountain or UCHealth Home Delivery. To learn more, call Intermountain at **855-779-3960** or UCHealth at **720-848-1432** or visit selecthealth.org or uchealth.org/services/pharmacy/.

Eligible dependents include the subscriber's legal spouse, children younger than age 26, eligible disabled children older than age 26, and children who are under court-ordered legal guardianship until legal guardianship ends. See contract for more details.

For a list of excluded services, see your member materials or visit selecthealth.org/resources/member-resources.
