Copay plans – gold

Copay plans are the simplest. You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care.

Deductible plans – gold, silver, bronze, and catastrophic

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

HSA-qualified high deductible health plans – silver and bronze

HSA-qualified deductible plans are deductible plans with a special feature. With this plan, you can set up a health savings account (HSA) to pay for health costs like copays, coinsurance, and deductible payments. And you won't pay federal taxes on the money in this account. You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, such as eyeglasses or adult dental.¹⁹ And if you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

Example of your costs for care

Let's say you hurt your ankle. You visit your personal doctor, who orders an X-ray. It's just a sprain, so the doctor prescribes a generic pain medication. Here's an example of what you'd pay out of pocket for these services with each type of health plan.

Plan name	Office visit	X-ray	Generic drug
KP CO Gold 0/25 RX Copay (no deductible)	\$25	40%	\$15*
KP CO Silver 5000/25 X (\$5,000 deductible)	\$25	40% after deductible	\$15*
KP CO Bronze 6500/35%/HSA (\$6,500 deductible)	35% after deductible	35% after deductible	\$35 after deductible*

*Mail order: 90-day supply of qualified prescriptions for the cost of a 60-day supply.

The cost estimates above are from kp.org/treatmentestimates. Visit this site anytime to get an idea of what the charges for common services might be before you reach your deductible.

Do you qualify for financial help?

You may be eligible for federal or state financial assistance to help you pay for care or coverage. Visit buykp.org/apply for details.

Annual deductible

You need to pay this amount before your plan starts helping you pay for most covered services. Under this sample plan, you'd pay the full charges for covered services until you reach \$2,200 for yourself or \$4,400 for your family. Then you'd start paying copays or coinsurance.

Annual out-of-pocket maximum

This is the most you'll pay for care during the calendar year before your plan starts paying 100% for most covered services. In this example, you'd never pay more than \$8,800 for yourself and no more than \$17,600 for your family for your copays, coinsurance, and deductible in a calendar year.

Covered before you reach the deductible

With some services, you'll only pay a copay or coinsurance, regardless of whether you've reached your deductible. Under this plan, primary care visits are covered at a \$25 copay—even before you meet your deductible. With our Silver deductible plans, primary care, specialty care, and urgent care visits all are covered before you reach the deductible.

Coinsurance

After reaching your deductible, this is a percentage of the charges that you may pay for covered services. Here, you'd pay 35% of the cost per day for your inpatient hospital care after you reach your deductible. Your plan would pay the rest for the remainder of the calendar year.

Copay

This is the set amount you pay for covered services, usually after you reach your deductible. In this example, you'd start paying a \$100 copay for urgent care visits, whether or not you have met your deductible.

Prescription fill

New prescriptions for maintenance medications can be filled at any plan pharmacy. Refills for maintenance medications must be filled at Kaiser Permanente medical office pharmacies or through our mail-order program.

*Mail order: 90-day supply of qualified prescriptions for the cost of a 60-day supply. After the first fill, maintenance drugs are required to be filled at a Kaiser Permanente medical office pharmacy, or through mail order.

Pediatric dental care

Kaiser Permanente health plans at the Bronze, Silver, and Gold levels provide essential health benefits, including pediatric dental benefits for children 18 and younger.

A reason to smile

Pediatric dental benefits are provided by Delta Dental of Colorado, one of the nation's largest and most experienced dental providers. Delta Dental provides members with the convenience of local customer service and a statewide network of more than 2,500 Delta Dental PPO™ providers.

Important to note

Children must see a Delta Dental PPO dentist for care. Services provided by dentists outside of the PPO network are not covered.

Kaiser Permanente individual and family health plans do not include dental benefits for adults 19 and older. If you want adult dental benefits, you may purchase separate adult dental benefits from Connect for Health Colorado or another health insurance carrier. The Kaiser Permanente Catastrophic plan does not include pediatric dental benefits.

Finding a dentist

Delta Dental makes it easy to get dental benefits for children covered on your Kaiser Permanente plan.

- **Website:** Visit deltadentalco.com and use the Find a Dentist search tool. Search by city, state, or ZIP code for a listing in your area. Make sure the dentist information says "This provider participates in: Delta Dental PPO."
- **Email:** Contact us at customer_service@ddpco.com
- **Mobile app:** With Delta Dental's free mobile app for Android and iOS, you can search for dentists, download an ID card, and look at benefits coverage and claims.
- **Phone:** Call Delta Dental of Colorado at **1-800-610-0201**. You can speak with a customer service agent Monday through Friday, 7:30 a.m. to 5 p.m., or get automated assistance 24/7.

Benefits

Dental benefits are for covered children up through the month they turn 19. Coverage is listed under the child's name.
